Dear Mr. Mortensen:

Re: Mine Plan Expansion Beyond 5 Acres, Last Chance Mine, S/015/061, Emery County, Utah

Neil Simmons, of the Bureau of Land Management, San Rafael Resource Area, informs me that the Last Chance Mine may be expanding beyond the 5 acre limit for a Small Mine Notice. The state of Utah requires the submittal of a Large Mine Notice and reclamation surety, for any mine site which disturbs more than 5 acres.

Please notify us regarding the likelihood of this expansion. We will then forward the necessary forms to you and assist you with any questions you may have.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
